

Sponsor Beer at Oktoberfest 13!

Warrington Rotary Club is now arranging its thirteenth Beer Festival, for 29 to 31 October 2009, at the Parr Hall, Palmyra Square, Warrington. All the profits go to charities and to date we have raised over £125,000! We need sponsors to help pay for the Hall, glasses, publicity, helpers T-shirts, casks of beer, cider, bottled beers, entertainment during the Festival and so on.

If you can offer major sponsorship we would be delighted to hear from you. To sponsor a beer is only £80, which nominally pays for a barrel of beer. We sell at least 70 different beers. Despite rising costs, we have kept to £80 as we appreciate the difficulties everyone is facing this year

Sponsors, plus a guest, are invited to join us on Thursday afternoon at 4.30pm, to meet charity representatives, and sample the beers, before we open to the public at 5.30pm. Sponsors receive 10 complimentary entry tickets for use by themselves, their colleagues and friends, so they only need to buy beer tokens.

Sponsors' names are shown on our website and in the brochure, and advertising matter can be displayed in the Parr Hall (within reasonable limits). Your company name will be on the front of a barrel of beer or cider, or alongside the speciality bottled beer bar. If you have a particular beer request, subject to availability, we will add your name to that beer. However, we cannot include lagers, because extra equipment and space is needed for gas canisters and coolers.

For more information please view our website or contact the club via email or post.

In 2009, our charities will include the local charities: Sunshine and Rainbow Assessment Nursery, Active Hope, Life Education, Canal Boat Adventure Project, St. Joseph's Family Centre, and international: Agape Children's Orphanage in South Africa, Raising the Roof For Ghana - Building a Village Resource Centre, Sarnelli House for HIV/AIDS children in Thailand.

If you want to sponsor the event, please send your cheque for £80 made out to "Rotary Club of Warrington" with the slip below.-
